Dear Sir / Madam,

23 May 2025

RE: MTS GOLF DAY FUNDRAISER

Our previous Fundraising Golf Days were very successful and we are pleased to announce that our next Golf Day has been planned for **21 June 2025** at the **Richards Bay Country Club**.

The cost is R400,00 per person and the format will be Combined Stableford.

Caddies at own cost.

Please kindly make your bookings with the Pro Shop on 0357532441.

We take this opportunity to thank you for sponsoring and supporting us in years gone by, and hope you will continue this year. There will be great prizes distributed at the prize-giving; an auction-off for a great prize; raffle tickets to purchase; and some great music to listen to.

Sponsorship:

Besides the Fourball entries, the success of this event hinges on hole sponsorship, and the costs are as follows:

Tee Boxes at R1000,00 — Greens at R1000,00 —

Tee Box #1, Green #8 and Green #18 at R1500,00 each.

The hole can then be used for advertising your banners, products, and/or services.

Monetary donations will be very welcome too, should you be unable to sponsor an entire hole.

Prizes:

It would be appreciated if prizes could be donated (2 of each item).

Please contact Chaplain Mark (0827445554) for more information, and also to arrange collection or delivery.

The Mission to Seafarers provides assistance to the myriad seafarers entering our port. Chaplains frequent the vessels in port, in order to reach out to all seafarers, especially those in need.

We provide them with different resources, services, and personal care.

We offer free communication, and spiritual guidance. On many an occasion we have been the people to assist in dire, emergency situations. We have been serving seafarers for the last 47 years in this port, and therefore well-loved by seafarers all around the world.

We do hope that you will be able to support this good cause, in order to continue meeting the needs of seafarers in our port and around the world.
